AUSTRALIAN SEAFOOD
A U S T R A L I A N

Dear Mark

Thank you for renewing your licence to use the Australian Made, Australian Grown logo. Your licence is now valid for your registered products until 31 March 2016. Your new registration certificate is attached.

The AMAG website, www.australianmade.com.au, has been completely redesigned and offers enhanced functionality for consumers looking to buy Australian made or grown products.

Licensees can now log in to the Business section of the site to renew or update their account details, and to download logo artwork and documents. If you have lost your login details, please give us a call on 1800 350 520 or email info@australianmade.com.au.

Longbeach Printing is the official supplier of point-of-sale merchandise for AMAG licensees. A range of stickers, swingtags and other merchandise can now be ordered online via the link at www.australianmade.com.au/merchandise.

To assist in promoting the logo and the products which carry it, AMAG recently launched a media arm, **Australian Made Media (AMM)**. This exciting new media platform will offer advertising packages including TV, print and online which are available exclusively to AMAG licensees. For more information call us on 1800 350 520.

We appreciate your support and look forward to working closely with you in the ensuing year to collectively promote the benefits of buying Australian.

Yours sincerely

Ian Harrison
Chief Executive
